REPORTS

President's Report

President Mance reported that Monday, February 24 is basketball sophomore night. In addition to the half-time performance by the Gentlemen of Vision, the Illinois Basketball Coaches Association will present a plaque to the college recognizing Belleville Area College/Southwestern Illinois College as being one of just a few Illinois junior college men's basketball programs that has surpassed the 1000 victory plateau. BAC/SWIC has won 1128 games since 1954-55 under the direction of just five different coaches.

President Mance requested the remainder of his report be read into the public record.

ICCTA Report

Trustee Roehrkasse provided the following ICCTA meeting dates:

February 10, 2020: Board of Representatives meeting was held in conjunction with the ACCT National Legislative Summit, Washington, D.C.

March 13-14, 2020: Board of Representatives meeting, Heartland Community College, Normal, IL will feature a panel discussion on campus security.

April 28-29, 2020: Board of Representatives meeting and Lobby Day, Springfield

June 5-6, 2020: ICCTA Annual Convention, 50th Anniversary, Chicago Marriott Magnificent Mile, Chicago

Attorney's Report

Mr. Hoerner had no report.

ADJOURNMENT

Mr. Raftopoulos moved, seconded by Mr. Blomenkamp, to adjourn the meeting at 5:50 p.m.
The motion carried.

Approved: **04.22.20**

Respectfully submitted,

Robert G. Morton

STUDENT AND COMMUNITY DEVELOPMENT

AmeriCorps

January 2020

- Since September 2019, Belleville AmeriCorps members and staff have participated in 75 Community Service Projects in Belleville!
- Because of Belleville AmeriCorps' commitment to an ethic of service, our members are expected to participate in community service projects in addition to their primary service placements and regularly assigned duties in the Belleville public elementary schools. Consequently, Belleville AmeriCorps has established service relationships with a number of non-profit organizations in the Belleville area, such as the City of Belleville, the TOCO Shop, the Shelter Shop & the Violence Prevention Center, Belleville Parks & Recreation, the Labor & Industry Museum, Beacon Ministries, Art on the Square, Belleville Achieves Strength In Character (BASIC), the Alzheimer's Association, and Trinity UCC. Currently, Belleville AmeriCorps is working with two new organizations: First, we are working with the leaders of "Neighbors for Renewal" in Belleville and "The Hoyleton Youth and Family Services" to find service opportunities for the AmeriCorps members to help those organizations refurbish a home in Belleville, which will provide home-centered care to intellectually-challenged youth. Second, we are working with the organizers of "Suds of Love" to help them staff their events. Suds of Love offers laundry services to individuals or families who need assistance accessing laundry services.
- Throughout the month of December, program staff and members of Belleville AmeriCorps aided the efforts of Trinity United Church of Christ in Belleville by distributing food donations, organizing the clothing pantry, and serving food to families in-need during the holiday season.
- Belleville AmeriCorps is starting the recruitment process for summer camp counselors for the summer camps of Belleville School Districts #118 & #175. Each year, Belleville AmeriCorps supplies the staff for each of the camps. We expect to recruit between 50 to 65 part-time counselors to serve 300-hours at three to four summer camps during the months of June and July. Help us spread the word!

February 2020

- January 17, 2020, was a very sad day for Belleville AmeriCorps and two of our partners: The Franklin Neighborhood Community Association (FNCA) and the City of Belleville. Our friend Al Wunderlich died.

Al is considered one of the Founding Fathers of FNCA and Belleville AmeriCorps, and he was instrumental to the continued success of both. He once said, "Our work at FNCA is so important. We're saving lives, and Belleville AmeriCorps is essential to this." This is no hyperbole. Al's work with FNCA & Belleville AmeriCorps has touched a generation of Franklin families.

Al was no “show horse.” He was a passionate workhorse, and an inspiring one-- especially to many of our AmeriCorps members over the years. He worked endless hours at FNCA and continued to serve FNCA and Belleville AmeriCorps until recently, when he decided to spend more time with his beloved Emma Lee.

A man of many honors, Al was recently honored by the Chamber of Commerce as Belleville’s Citizen of the Year in 2016; and he was the recipient of the Liberty Bell Award at the Law Day Breakfast in 2019.

We extend our condolences to the Wunderlich family. We will miss our friend in service. Well done, Al.

- A big THANK YOU to Melissa Tutterow, the Director of Development at the Violence Prevention Center of Southwestern Illinois (VPC), for stopping by our Team Meeting on January 22nd to talk to our Members about the work done at the VPC and the Shelter Shop in Belleville.
- A BIG shout-out to Bennie Parr (owner of Bennie's Pizza Pub and recipient of The BASIC Initiative's "Citizen of Character" award) for stopping by the Franklin Neighborhood Community Association and Franklin Elementary to talk to our kids in our Cooking Class about owning a restaurant (and for providing pizza!). Thank you, Bennie!
- A big THANK YOU to Lesley Grady for stopping by our Team Meeting on January 8, 2020, for training our Mighty Members on Computer & Digital Safety. This is such great information for our members, who can share this info with their students! Lesley is currently a teacher with Central Elementary School in O'Fallon, IL, and is a Belleville AmeriCorps Alum, having served in program years 2004/2005 & 2005/2006. Lesley credits Belleville AmeriCorps with her career in education! She is also the mother of current member Brennan Grady! Thank YOU, Lesley!
- During our “MLK Day of Service” celebration, Belleville AmeriCorps served at two special Service Projects: First, on January 20th, the Mighty Members and program staff served “Neighbors for Renewal in Belleville” and “Hoyleton Youth and Family Services” by helping them refurbish a home in Belleville, which will provide home-centered care to intellectually-challenged youth. Second, on January 25th, the Mighty Members and program staff served the Shelter Shop in Belleville, IL, in support of the Violence Prevention Center of Southwestern Illinois.

ARAMARK

- Whether you were a Chiefs or a 49ers fan, our Super Bowl Party was a “TOUCHDOWN” on all three campuses! The sports fan menu included hot dogs, chili, and nachos with all the trimmings.
- Aramark celebrated Black History Month with a fantastic lunch made from scratch by Georgia Matthews, one of our fantastic cooks who share her own family recipes. Students and staff enjoyed fried chicken, collard greens with turkey drumsticks, macaroni & cheese and peach cobbler for dessert.

- The Aramark team individually wrapped 1,500 heart shaped cookies that were handed out to student and employees willing to “Post a Positive” for Valentine’s Day at each campus.

Community Education

- Community Ed will be offering the Paraprofessional Test Prep class and WorkKeys test for Paraprofessional (Teacher’s Aide Licensure) again this spring. The IL law was changed in August making the WorkKeys test invalid for Licensure. Only those with 60 college credit hours or more were able to get licensed. The law has just recently been reverted back to allowing the WorkKeys test to count towards Licensure to become a Teacher’s Aide again.

Disability & Access Center

January 2020

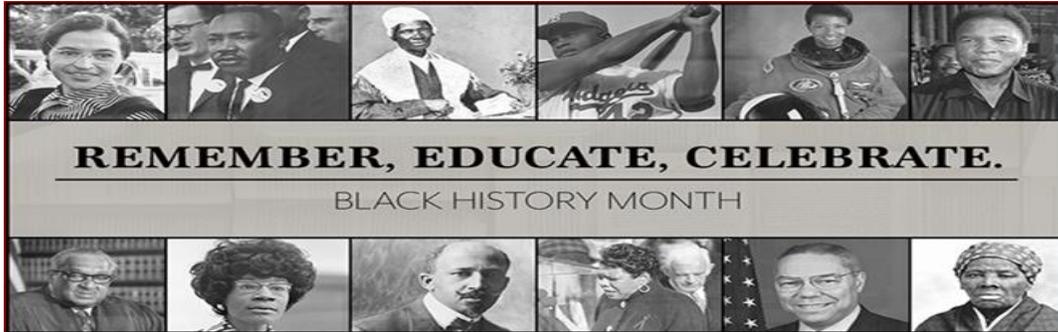

- The DAC utilized Perkins grant funding for career and technical education students needing sign language interpreters which saved \$14,858 in college funding during the fall semester.
- During fall semester, DAC staff provided 426 individual consultations with faculty and staff to help resolve disability-related access problems in the classroom; all resolutions are documented in confidential student files.
- The Disability & Access Center successfully provided 2,821 individualized accommodations for district-wide students with disabilities from October 1 – December 31. Eligibility for legal accommodations was determined based on thorough DAC intake processes to ensure equal access for students and academic integrity of standards for instructional programs. During the first quarter of this fiscal year, the DAC successfully provided an additional 2,381 accommodations to ensure compliance.
- There has been a 52% increase in the development of ADA Accommodation Plans. Specifically, during fall semester FY '20, the DAC developed 1,316 ADA Accommodation Plans which identify accommodations that students are eligible to receive in classrooms so instructional staff have increased knowledge of required support. During this same timeframe in FY '19, 864 Plans were developed.
- During fall semester, DAC staff facilitated: 1,345 individualized intake and assessment appointments to address comprehensive student needs, which included 70 consultations with community agencies; 337 individualized student training sessions on the use of access technology and software, so eligible students were knowledgeable about alternative methods of access to classroom information; 753 classroom/placement tests to ensure appropriate accommodations were in place such as readers, scribes, reduced distraction, access equipment/software, extended time, breaks, specialized furniture, and access to food/drink for medical needs.
- The DAC continuously emphasizes excellent student service; assessment outcome data from students utilizing the DAC during fall semester reflected an overall 4.9 level of satisfaction on a 5.0 scale.

February 2020

- To facilitate transition and enrollment, the Disability & Access Center provided training on disability laws, differences between high school and college accommodations, documentation guidelines, and procedures for requesting support to Marissa High School faculty. The DAC also participated in High School Visit Day and provided information to the SWIC faculty's Success Strategies group.
- 742 students with disabilities have been identified and served by the Disability & Access Center to date for the spring semester. This number will increase throughout the semester as students continue to self-identify and request accommodations.

Library Services
February 2020

- SWIC Library celebrated **African American History** Month - February 2020

This month our three campus libraries paid tribute to the many generations of African Americans who struggled with adversity to achieve full citizenship in American society. The Belleville campus library display featured a 400-year, narrated timeline from the early 1600s to the present. Over 200 library materials were assembled chronologically into the following 40 sections:

 - Jesse Jackson Galvanizes Black Voters, 1984
 - Oprah Winfrey Launches Syndicated Talk Show, 1986
 - Los Angeles Riots and Rodney King, 1992
 - Million Man March, 1995
 - Colin Powell, 2001 and Condoleezza Rice, 2005 become Secretary of State
 - Barack Obama becomes 44th U.S. President, 2008
- The library also showcased an **interactive “Who Do You Know?” space** where students and faculty could test their knowledge on the significant contributions of many African Americans and discover books within the library’s collection for further reading.
 - The Belleville library, in collaboration with English faculty, hosted a **National Council of Teachers of English (NCTE) African American Read-In event on February 24**. The Literature by Women (117) class of 30 students held a class discussion of ZZ Packer’s “Drinking Coffee Elsewhere”. Students and community were invited to join and participate in the event.
 - **“Keep Calm and Color On”** - The librarians presented a Faculty Development Workshop, Spring 2020 Opening Week

Unplug, de-stress and experience the latest trend in relaxation: adult coloring! Studies show coloring can have a calming effect on the adult mind and help to promote overall wellness. Join Jennifer Bone and Samantha Rogers for a short presentation on the benefits of coloring followed by a relaxing coloring session. No artistic talent required! Color pages and art supplies will be provided.

Presentation:

7 Benefits of Coloring for Adults

1. Your brain experiences relief by entering a meditative state.
2. Stress and anxiety levels have the potential to be lowered.
3. Negative thoughts are expelled as you take in positivity.
4. Focusing on the present helps you achieve mindfulness.
5. Unplugging from technology promotes creation over consumption.
6. Coloring can be done by anyone, not just artist or creative types.
7. It’s a hobby that can be taken with you wherever you go.

PSOP

January 2020

- The **Foster Grandparent Program** celebrated the end of 2019 with a wonderful holiday in-service that was more special than ever. An unexpected donation of toys came in the day before the in-service, with enough toys for each Foster Grandparent to “shop” for a toy for a child they love and support. Kindness and holiday cheer spread like wildfire that day thanks to LTI trucking of Madison IL. “Santa” helped deliver the gifts, along with Cheryl Brunsmann, Community Education / PSOP Executive Director and Staci Oliver, Chief Student and Community Development Officer. We were also grateful to the partners that helped sponsor the meal that day- we all felt the true magic of the holiday season and it was clear our deserving volunteers enjoyed the last in-service of 2019.

February 2020

- The **Foster Grandparent Program** was extremely proud and fortunate to participate in SWIC's MLK Observance Program on January 30th. Volunteers and staff were blown away by the presentation of Marcus “Dr. Respect” Gentry. Many of those who attended learned nuances of the path of MLK Jr. that they had never heard before; many recalled the events that took place because they were growing up alongside his civil rights movement. This moving and powerful presentation was incredibly valuable for all those who attended and we look forward to continue our participation each year.

PSOP Continued

- **RSVP**, in cooperation with the **SWIC Public Safety Department's – Office Daryl May** offered a safety training at PSOP for **59** mature adults, who volunteer at the **Community Inter-Faith Food Pantry in Belleville**. The volunteer site asked for RSVP's assistance in procuring a speaker and setting up a security training for their members, after a volunteer was attacked at the site by a client. The training was offered on two different days to give them all the opportunity to attend.
- Mary Miller, as co-chair of PSOP's annual Senior Celebration, has been working on this year's event. This year of “2020” our theme is ***Our Seniors are SPEC-tacular!*** This year's event which will be held Friday May 8th, will include a Car Show, Dancing, Funnel Cake Truck, Diabetic Screening Mobile Van and Board Games. Most importantly, we will have a fabulous raffle ticket sale! Prizes on the raffle include \$500 and \$250 Walmart Gift Cards, 4 Cardinal Game tickets, \$100 Andria's gift Card and \$50 Schnuck's Gift Card. **We hope to see you all at the event.**

Student Life Services

- **Student Life/Diversity & Inclusion** continues to celebrate Black History Month through the end of February with a calendar of events including, soul food lunch menus, an “I Have a Dream” speech display, a display of Historically Black Colleges and Universities, a library display, two live “I Have a Dream” performances for students, faculty, staff and the community; a half-time show step team performance by the Gentlemen of Vision, a local poet featured at the Annual Poetry Out Loud Regional Competition and the 4th Annual Soulful Sunday Soiree’.
- **Thursday, Jan. 30 & Friday Feb 7th** - Marcus Gentry presented: I have a dream; The King’s Journey. Mr. Gentry ushered the audience into the past for an amazing recanting of the legacy of Rev. Dr. Martin Luther King, Jr. The goal of the performance was to take us on a journey from the birth of Dr. King, through the experiences that lead to his “I Have a Dream” speech, to how his dream is applied today.
- **Monday, Feb. 10th** - Student Life hosted a Valentine’s themed game event held in the MC Theatre. Students utilized the “prize wheel” and student leaders gave away more than 20 prizes to participants. Red velvet mini cupcakes, Crush soda, and popcorn were also shared with participants.
- **Thursday, Feb. 13th** – In partnership with President Mance, Student Life created a “Conversation Heart Wall” to promote positive messages for Valentine’s Day. Free cookies were passed out in exchange for positive affirmations on candy heart-shaped cut-outs that were posted on district-wide boards.
- **Thursday, Feb. 13th** - Poetry Out Loud was held in the Schmidt Art Center. Five local schools participated in the event that featured Darlene Roy, an African American poet who exposed students to her works, further highlighting Black History Month. The winner and runner up from the contest move on to the state competition in Springfield, IL.
