## Academic Standards

A minimum of a 2.0 cumulative grade point average is required for an associate degree or certificate from SWIC. Grades are issued at the close of each semester on a letter basis indicating the quality of academic work and student achievement. Grade points are assigned to each credit earned in 100-200 level classes according to the grade received as follows:

Grade		Grade points per credit
A	Superior	4
B	Good	3
C	Average	2
D	Poor	1
F	Failing	0
I*	Incomplete	0
W	Withdrawn	0
WF	Withdrawn failing	0
P	Passed	0
AU	Audit	0
CR	Credit Awarded	0
PC	Proficiency Credit	0
SC	Service Credit	0
PR**	Progress-Re-enroll	0

To calculate your cumulative grade point average, multiply the credits earned in each 100-200 level class by the grade points per credit, and then total the grade points. Divide the total number of grade points by the total number of credits earned in each 100-200 level class, excluding those classes in which you received an I, W, P, CR, SC, PC or AU grade. Note that courses numbered below 100 are not considered when calculating your SWIC cumulative grade point average regardless of the grade received.

**Class Withdrawals:** Variable class withdrawal deadlines apply to all classes. Students should refer to eSTORM for individual course withdrawal deadlines.

*\*A grade of "I" will automatically roll to an "F" if remaining coursework is not submitted within the time frame set by your instructor. Once the "I" grade is changed (not later than 100 days after being issued), the assigned grade will be calculated into the cumulative grade point average.*

*\*\* The PR grade is only an option for ENG 91 Reading Comprehension, ENG 92 Critical Reading, ENG 95 Building Writing Strategies and ENG 96 Preparing for College Writing. Other courses are not eligible for this grade type.*

## Academic Honors

Academic honors are awarded to full- and part-time students at the end of the spring and fall semesters. They are not awarded during the summer session. Full-time students who complete at least 12 or more college-level credits in the current semester and who earn grade point averages of 3.5 or higher will be named to the **Dean's List** for that semester. Part-time students who complete six or more college-level semester credits in the current semester and who earn grade point averages of 3.5 or higher will be named to the **Dean's List** for that semester.

## Commencement Honors

At the annual graduation ceremony held each spring, students who have achieved a cumulative grade point average of 3.5 or higher will be eligible to wear a blue tassel, which represents the achievement of honors, rather than a black tassel. The grade point average that determines this achievement is the cumulative average through the fall term. Spring grades do not affect commencement honor status.

## Academic Alert/Probation/Suspension Warning/ Academic Suspension

The SWIC Academic Standards Policy is intended to support a successful learning experience for all students. In attempting to meet the unique needs of each student at SWIC, the RESTART program has been designed to provide intense services to help the student improve academic success. This program provides information to the student about college resources, as well as several required activities that must be completed prior to re-enrollment. Students who do not follow these guidelines will not be allowed to register for or attend classes at SWIC. While all students are held to the same standards, students with special circumstances may petition to the dean of Enrollment Services/designated representative for special consideration concerning re-enrollment.

## Academic Alert:

A student will be placed on Academic Alert when his or her cumulative SWIC grade point average falls between a 2.30 and a 2.00. Before re-enrolling, the student on Academic Alert will receive information on helpful resources and will be strongly encouraged to meet with an academic advisor to develop strategies to promote academic success.

**Academic Probation:**

A student will be placed on Academic Probation when his or her cumulative SWIC grade point average falls between a 1.99 and a 1.50. To be allowed to enroll, the student on Academic Probation must have completed all RESTART requirements before May 15 for fall semester and before Dec. 15 for spring semester. It will be the responsibility of the student on Academic Probation to contact Academic Advising to begin the RESTART program.

**Academic Suspension Warning:**

A student will be placed on Academic Suspension Warning the first time his or her cumulative SWIC grade point average falls below a 1.50. To be allowed to enroll, the student on Academic Suspension Warning must have completed all RESTART requirements before May 15 for fall semester and before Dec. 15 for spring semester. It will be the responsibility of the student on Academic Suspension Warning to contact Academic Advising to begin the RESTART program.

**Academic Suspension:**

A student who is on Academic Suspension Warning and whose cumulative SWIC grade point average falls below a 1.50 for a second consecutive semester will be placed on Academic Suspension. The student will not be allowed to register for or attend classes at SWIC for the following fall or spring semesters unless authorized to do so by the dean of Enrollment Services/designated representative. Prior to re-enrollment the student must complete the RESTART program requirements.

**Attendance**

Students are expected to be present for all scheduled class meetings and will be held responsible for any work missed as a result of absences or tardiness. For a 16-week course scheduled in the fall or spring semester, absences for more hours than the class meets per week may result in the student being dropped from the class. When courses are offered in a more condensed format, a student may be dropped by the instructor after missing more hours of class than the class would meet in one week if it was scheduled over 16 weeks. Any student dropped with an effective date prior to the midterm date of the class will receive a "W." If the effective date of the withdrawal is after the midterm date of the class, the instructor may assign a "W" or a "WF" grade.

Absences because of approved college purposes or pre-approved religious observances will result in no direct absence penalties. Students will be allowed to make up work missed as a result of approved absences or do alternate assignments.

Absences due to other circumstances such as military deployment, volunteer emergency service in accordance with Illinois law, or documented disability-related needs should be discussed with the instructor and appropriate dean to determine whether exceptions to the attendance policy should be made or tuition refunds considered.

**Dismissal**

SWIC has the right to request at any time the withdrawal of students who do not maintain the required standards of scholarship or whose conduct discredits the college.

**Academic Programs**

UNIVERSITY TRANSFER degree is the first two years of study toward a bachelor's degree. It is designed to transfer to a four-year institution. ## Auditing Courses

Auditing a course means you attend the class but do not receive credit for attendance or work performed. The instructor may or may not allow you to participate in class assignments, testing, classroom discussion and/or other course activities the instructor deems appropriate. Students auditing courses should discuss their audit status with the instructor.

SWIC courses fall into three categories – those which may not be audited (see listing), those which may be audited with the approval of the department (see listing) and those which require no approval to audit (any credit class NOT listed may be audited without departmental approval).

## Enrolling for Audit Status

Students wanting to audit a course must wait until after the class has begun to register. Audit registration must be completed in person at one of the three campuses or at Scott AFB, as an Audit Request form must be completed by the student.

If the student wishes to register for an Audit By Permission Course, s(he) should visit the appropriate department and request approval of the department chair or program coordinator and the dean using the Restricted Audit Approval Form which is available in that department.

There is no difference in tuition or fees when auditing a class. Once a student is registered, changing from audit to credit status and vice versa is not permitted. Closed class cards will not be issued to audit status students. Audit classes are not considered for financial aid eligibility.

**Please remember that audited classes cannot be used at a later date for college credit or to fulfill admission or graduation requirements.**

## Cost of Attendance

SWIC tuition is \$113 per semester credit, which means SWIC students pay LESS THAN HALF the national-average tuition of state universities. There are payment plans, scholarships, loans, grants, student employment and SWIC Tuition E-Gifts to help you fund your education.

Below is a breakdown of the average cost for attending two semesters (one year) at SWIC for a full-time student enrolled in 15 credit hours each semester:

**Tuition and Fees = \$3,660\***

**Books and Supplies = \$1,500**

**Transportation = \$2,576**

**Personal Expenses = \$2,000**

**Dependent living expenses (at home) = \$2,264**

**or Independent living expenses (in an apartment) = \$4,280**

*\*Based on in-district tuition rate of \$113 per credit hour and \$9 per credit hour mandatory fee for activities and technology*

For financial aid and scholarship information, visit [swic.edu/students/financial-aid](http://swic.edu/students/financial-aid).

## Course Load

A student who is registered for 12 or more semester credits during the fall and spring semesters or six or more semester credits during the summer is considered a full-time student.

For students receiving financial aid, awarding is based on enrollment that falls within one of the following course load groups:

- 12 or more hours = **full time**
- 9-11.5 hours = **three-quarter time**
- 6-8.5 hours = **half time**
- 5-5.5 hours = **less than half time**

The institution reports enrollment to the National Student Clearinghouse which lenders may access to verify enrollment information.

Registration for more than 18 semester credits during fall and spring semesters and nine semester credits during the summer term must be approved by an academic advisor. Students with a grade point average of 3.0 (B) or better generally are considered for such approval.

The Veterans Administration and some other funding agencies designate minimum course loads for qualification purposes. Your ability and how many hours you work should be taken into account when you determine your course load.

## Dropping or Withdrawing from Courses

If a student wishes to withdraw himself or herself from a class, the student must submit a Drop/Add Section Change form to the Enrollment Services office in person or by mail or complete the process online at [estorm.swic.edu](http://estorm.swic.edu). Students should not assume they are withdrawn from a class in good standing if they do not attend the class. Drop/Add Section Change forms are available in the Belleville Campus Enrollment Services office, the Belleville Campus Academic Advising office, the Sam Wolf Granite City Campus and Red Bud Campus offices, the East St. Louis Community College Center and the Scott Air Force Base Education office. Students who submit withdrawal notification by mail will be withdrawn from class as of the postmark date on their notification. Withdrawals will not be accepted by telephone.

Variable class withdrawal deadlines apply to all classes and are based on the meeting patterns of the class. Students should refer to their schedule on eSTORM for specific withdrawal dates for each class.

## Refund Policy

To be eligible for a refund of tuition and class fees, you may drop classes online at [estorm.swic.edu](http://estorm.swic.edu) or submit a written request to Enrollment Services within the refund period specified in this semester's schedule. No drops will be accepted over the telephone. "Refund" is strictly applicable only if all charges for which the student is liable have already been paid. Otherwise, any refund due will take the form of a corresponding reduction in the total liability on the student's account.

### TO RECEIVE A 100 PERCENT REFUND OF YOUR TUITION AND CLASS FEES:

You may drop classes online at [estorm.swic.edu](http://estorm.swic.edu) or submit a written request to Enrollment Services (if you mail your written notice, it must be postmarked) ten (10) or more calendar days prior to the official start date of the class.

**Official dates are published in each semester's "Schedule of Classes" under "100% Deadline" in the "Course Listings." Specific dates can be found on eSTORM. Select Student Center, My Class Schedule and click the Deadline icon.**

If you mail your written notice, it must be postmarked, within nine (9) calendar days prior to and eight (8) calendar days after the official start date for each class.

**For classes between one and two weeks in length:**

You may drop classes online at [estorm.swic.edu](http://estorm.swic.edu) or submit a written request to Enrollment Services. If you mail your written notice, it must be postmarked, within nine (9) calendar days prior to and one (1) calendar day after the official start date for each class.

**For classes less than seven calendar days in length:**

You may drop classes online at [estorm.swic.edu](http://estorm.swic.edu) or submit a written request to Enrollment Services. If you mail your written notice, it must be postmarked, within nine (9) calendar days prior to the start date of each class.

**Official dates are published in each semester's "Schedule of Classes" under "90% Deadline" in the "Course Listings." Specific dates can be found on eSTORM. Select Student Center, My Class Schedule and click on the Deadline icon.**

No refund of tuition and/or fees will be issued for a class dropped after the 90 percent date.

**All refunds will be issued directly to the student.** Please allow 30 days for processing. The refund policy is subject to change without notice.

**Financial Aid Refund Policy:** The Return of Funds policy for financial aid recipients differs from the SWIC normal refund policy.

SWIC students who are receiving Title IV financial aid (Federal Pell Grant, FSEOG, Stafford loans), and who withdraw completely on or before the 60 percent point in time of the enrollment period for which they were charged, will be subject to the Return of Funds policy. For further information, specifics regarding the Return of Funds policy and/or examples, contact the Financial Aid and Student Employment office, ext. 5288.

**Repeating Courses**

Some courses may be repeated in an attempt to improve a grade. When a course is repeated, only the most recent attempt is counted toward program requirements at SWIC. However, all attempts will remain part of your permanent academic record at SWIC. It is important to note that each school has its own policy on the way that repeated courses are calculated into a grade point average.

Check with transfer institutions prior to admission in order to determine calculation rules.

It is important to note that some classes have been identified by SWIC and approved by the Illinois Community College Board as "repeatable" classes. In this case, the class would be factored into a student's grade point average each time it is repeated up to the allowable limit. As stated in the previous paragraph, it is important to check with transfer institutions prior to admission in order to determine calculation rules.

***Course repeatability can adversely affect your financial aid eligibility, and you should contact the Financial Aid office to see how repeating a course could affect your eligibility.***

**Student ID Numbers**

To help protect you from identity theft, the college identifies students by student ID number rather than Social Security number. Your student ID number will be generated upon completion of your New Student Information Form. You will receive an email confirmation with this number. For new students, you need to provide your Social Security number when you apply at SWIC, then receive a student ID number. For returning students, you can request your student ID number at the eSTORM login page or by accessing the student ID number request form at [estorm.swic.edu](http://estorm.swic.edu) and submit the request via fax (618-222-9768), email or in person with a photo ID. You need a student ID number to access your student email and your eSTORM online student records account.

**Vaccination Policy**

SWIC does not require vaccinations for open enrollment programs; however, SWIC requires students in some Health Science programs to provide proof of immunizations per the regulations of the clinical facilities in which students are placed for the clinical education component of their program of study. Students are made aware of these immunization requirements through the SWIC catalog, brochures, website, program student handbooks, and program orientation meetings. Students accepted into these specialized programs will be required to show proof of immunizations before beginning any clinical experience courses.

## Student Classification

A student who has earned 29 semester hours or fewer is a freshman. A student who has earned 30 or more semester hours of college credit is a sophomore. A student who is registered for 12 or more semester hours is a full-time student. A student registered for less than 12 hours is a part-time student. For financial aid purposes, 12 semester credits is considered full-time during the summer term.

Veterans Affairs and some other funding agencies designate minimum course loads for qualification purposes.

Your ability and how many hours you work should be taken into account when you determine your course load.

## Grade Reports

Students may access semester grades online through [estorm.swic.edu](http://estorm.swic.edu). Semester payments, including fines and assessments, must be paid before grades can be viewed.

## Course Numbering System

Courses numbered 100 to 199 are first-year or freshman-level courses. Courses numbered 200-299 are second-year or sophomore-level courses. Courses numbered below 100 are developmental, general studies or refresher courses and do not count toward graduation requirements. Credit may not be earned beyond the number of hours indicated.

## Proficiency Examinations

Proficiency examinations may be taken in some courses or programs upon petition by the student. These examinations may be taken only with the approval of the instructor/coordinator, dean and vice president for Instruction. They are available to those students who, in the judgment of the responsible college officials, possess the requisite background knowledge as a result of previous course work, experience, or a combination of course work and experience.

Students authorized to take proficiency examinations will be required to pay a nonrefundable 50 percent tuition charge. If the student is successful, the 50 percent tuition charge will apply to the total tuition for the course. This fee is payable at the time students submit their applications.

Students who successfully complete proficiency examinations will have the credit recorded on their college transcripts with the designation "PC" (proficiency credit). No letter grade will be recorded and the credits will not be included when computing grade point averages. They may be applied toward graduation requirements. A student can earn a maximum of 16 semester hours of credit through proficiency examinations.

Information about specific proficiency examinations is available from the dean of the division to which the academic program is assigned.

## Proficiency examinations are given in accordance with the following restrictions:

- They may not be taken to raise a grade, remove a final grade of "F" or replace an Incomplete ("I").
- They may not be taken before a student is officially admitted to SWIC.
- They may not be taken more than once for the same course.
- They may not be taken for a course that is below the level of previously completed coursework.
- They may not be taken for a course which a student has previously audited or in which a student has been enrolled.
- Seminars may not be used as a basis of proficiency examinations or credit.
- They may not be taken prior to receiving written consent from the appropriate instructor, dean and the vice president for Instruction.
- They may not be taken prior to receipt of the nonrefundable fee.

It is the student's responsibility to check with transfer institutions regarding transferability of proficiency credit.

## Graduation Requirements

Degrees are awarded at the end of each academic term (fall, spring and summer). Application deadlines are set by Enrollment Services. Go to [swic.edu/students/services/enrollment-services/registration/graduation-information](http://swic.edu/students/services/enrollment-services/registration/graduation-information) for specific deadlines and instructions.

You must apply for a degree through the Enrollment Services office by completing a Graduation Application or through eSTORM services. You will be notified via your SWIC student email account regarding your degree status.

### **Commencement**

Students who have applied for graduation and completed requirements for a degree during the spring term, as well as graduates from the previous summer and fall terms, will be invited to participate in the graduation ceremony which is held once a year in May. The specific date of the ceremony is listed on the college calendar. Students must submit a graduation application even if they choose not to participate in the ceremony.

### **Commencement Honors**

At the annual graduation ceremony held each spring, students who have achieved a cumulative grade point average of 3.5 or higher will be eligible to wear a blue tassel, which represents the achievement of honors. This achievement is determined by the cumulative grade point average through the fall term. Spring grades do not affect commencement honor status.

### **Certificates**

Students at Southwestern Illinois College can earn certificates in a variety of occupational programs. Certificates are automatically awarded at the end of the term for students who have completed the following:

- Complete all certificate requirements as outlined in the Career Programs section of the college catalog (blue pages).
- Complete a minimum of 25 percent of the required credit hours through courses offered by Southwestern Illinois College. Consent of the program coordinator/department head, dean and instructional vice president is necessary for any variance from this requirement.
- Achieve a minimum of a 2.0 cumulative grade point average in courses required for the certificate. Certificates will be mailed to the student's permanent address of record approximately four weeks after the end of the term.

### **College Transcripts**

You may request an official transcript through the National Student Clearinghouse transcript ordering system or through the Enrollment Services office. Information and links regarding specific transcript ordering steps can be found at [swic.edu/students/services/enrollment-services/registration/transcripts](http://swic.edu/students/services/enrollment-services/registration/transcripts). Official transcript orders

will have a \$6 charge for each copy requested. You may view and print unofficial transcripts from eSTORM services. SWIC reserves the right to withhold transcripts from students who are in debt to the institution.

### **Transfer Credit**

Students who have completed college coursework with a grade of D or better through a regionally accredited institution may submit a request to have the credit evaluated toward a degree/certificate at Southwestern Illinois College. Some programs and course requisites may require courses to be completed with a grade of C or better. Some career/occupational programs may accept credit from other career/technical institutions. Transfer credit grades are not included in the cumulative grade point average (GPA).

### **Transferring Coursework**

A New Student Information form must be submitted prior to requesting an evaluation of transfer credit. Students must see an academic advisor to declare their official program/plan. To ensure an evaluation of credit, a Transfer Credit Evaluation Request form must be completed and submitted to Enrollment Services. An official transcript must be received from each institution where the credit was earned. Electronic transcripts submitted through Credentials eScrip-Safe, Parchment, Joint Service Transcripts (JST) and National Student Clearinghouse are accepted. Electronic transcripts can also be sent to [records@swic.edu](mailto:records@swic.edu) directly from the institution. If a transcript is received through this account from a student, it will not be considered official.

Hand-carried transcripts will be accepted as official only if brought in a sealed envelope from the issuing institution.

Once received by SWIC, transcripts will not be released to third parties or returned to students either in original or copy form. Upon receipt of all transcripts and the transfer credit evaluation form, credit will be evaluated toward the student's current degree or certificate program and applied to their SWIC transcript. Students should check their "To Do List" in eSTORM for their evaluation status. Students may track their degree progress by selecting the degree progress link under Academic History in their Student Center on eSTORM.

To submit your Transfer Credit Evaluation Request form online, log into eSTORM and select the Transfer Credit Evaluation link found in other academic drop down under Academics in your Student Center. Please refer to the International Students section for information on the F-1 Student Visa Admissions Requirements.

### **Illinois Articulation Initiative (IAI)**

The Illinois Articulation Initiative facilitates the transfer of students from one Illinois institution to another. Both a general education core curriculum and a lower-division major recommendation course listing have been developed.

If you are looking for assistance on how your courses will transfer to SWIC or for a list of all of our Illinois Articulation Initiative general education courses, visit [www.itransfer.org/](http://www.itransfer.org/).

### **Transferology**

Transferology is an online tool that helps you view program requirements, look at course equivalencies, and see how courses you have taken or plan to take transfer to another college or university.

Visit <https://www.transferology.com/>.

### **International Transcripts**

Students who have attended an international institution should submit an official transcript report in English from one of the following services: ECE/Education Credential Evaluators or WES/World Education Services. More information can be found at [www.ece.org](http://www.ece.org) or [www.wes.org](http://www.wes.org). SWIC will utilize the report as a guideline for the evaluation of course credit and reserves the right to award appropriate credit. Additional information, such as course descriptions may be requested to determine the appropriate equivalency.

### **Family Educational Rights and Privacy Act (FERPA)**

*Notification of Rights under FERPA for Postsecondary Institutions*  
The Family Educational Rights and Privacy Act (20 U.S.C. § 1232g; CFR Part 99) affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student's education records within 45 days of the day the college receives a request for access.

A student should submit to the Enrollment Services office a written request that identifies the record(s) the student wishes to inspect. The college official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the college official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading or otherwise in violation of the student's

privacy rights under FERPA. A student who wishes to ask the college to amend a record should write the college official responsible for the record, clearly identify the part of the record the student wants changed and specify why it should be changed.

If the college decides not to amend the record as requested, the college will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the college discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The college discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the college in an administrative, supervisory, academic or research, or support staff position (including Public Safety unit personnel); a person or company with whom the college has contracted as its agent to provide a service instead of using college employees or officials (such as an attorney, auditor or collection agent); or a person serving on the Board of Trustees.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the college.

Upon request, the college also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Ave., SW  
Washington, D.C. 20202-5901  
202-260-3887 – Telephone  
202-260-9001 – Fax  
ferpa@ed.gov – Email

Any student who has reason to believe that Southwestern Illinois College is not complying with the act or this policy

should inform the dean of Enrollment Services in writing (Enrollment Services office, Belleville Campus Information Sciences Building, Room 1050), 618-235-2700, ext. 5400.

#### *Public Notification of Directory Information*

At its discretion, Southwestern Illinois College may provide "directory information" in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974 (FERPA). Directory information is defined as that information which would not generally be considered harmful or an invasion of privacy if disclosed.

Designated directory information at SWIC includes the following: student's name, address, enrollment status (full- or part-time), dates of attendance at SWIC, honors (including honor roll), degree(s) conferred (including dates), past and present sports participation and physical factors of athletes (height and weight). Students may block the public disclosure of directory information by submitting a Request to Prevent Disclosure of Directory Information form to the Enrollment Services office. This request will stay on file until removed by the student. SWIC retains the right to exercise discretion in determining the release of directory information.

Please consider very carefully the consequences of a decision to withhold directory information. A non-disclosure block will call for Southwestern Illinois College not to release any of this "directory information;" thus, any future requests for such information from non-institutional persons or organizations will be refused.

Southwestern Illinois College will honor your request to withhold directory information but cannot assume responsibility to contact you for subsequent permission to release this information. Regardless of the effect upon you, Southwestern Illinois College assumes no liability as a result of honoring your instructions that such information be withheld.

Although the initial request may be filed at any time, request for non-disclosure will be honored by the College until removed, in writing, by the student.

#### **Return of Federal Title IV Financial Aid**

Colleges that participate in Federal Title IV financial aid programs are required to monitor student withdrawals and determine if federal student aid funds need to be returned. A student is subject to the federal return of funds policy if he/she receives Title IV financial aid (Federal Pell Grant, FSEOG, Direct Loans) and withdraws or is withdrawn by the instructor from ALL financial aid-eligible hours on or before the 60 percent point in time of the enrollment period.

Detailed information about the Return to Title IV Funds process is available in the SWIC Financial Aid Handbook, [swic.edu/students/services/financial-aid/handbook/federal-return-of-funds-policy](http://swic.edu/students/services/financial-aid/handbook/federal-return-of-funds-policy).

Awards are based on the student's program and enrollment at the census date for each term (the 10th class day of the fall and spring semesters and the fifth class day of the summer semester).

Students who fail to complete ALL financial aid-eligible classes may be required to repay a portion of the financial aid funds they received.

Specific types of financial aid may have additional requirements. ### **Department of Public Safety**

The Department of Public Safety provides services and programs to assist in establishing and sustaining a college environment that enhances the educational process and facilitates the accomplishment of the college's mission and goals. We want the SWIC experiences for students, college employees and visitors to be safe and pleasant.

The department emphasizes preventing crimes and violations of policy, and provides numerous services to the college community. However, all duties related to the enforcement of SWIC Student Conduct Code and Illinois Criminal and Traffic Codes are the responsibility of the Public Safety department. The college receives law enforcement support from the respective municipal and

county law enforcement agencies in whose jurisdictions the campuses are located. The Public Safety department maintains a cooperative relationship with supporting local, state and federal public safety agencies.

The Department of Public Safety has offices on the Belleville and Sam Wolf Granite City campuses.

**Authority:** Designated positions within the department are sworn police officer positions with full police powers to include arrest and duty responsibilities in accordance with Illinois Compiled Statute (ILCS) 50, Act 705.

All other officers possess arrest authority and duty responsibilities in accordance with ILCS 110, Act 805 and the SWIC Board of Trustees Policies.

### **Campus Security Policies and Crime Statistics/Fire**

**Safety Report:** Pursuant to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, previously known as the Federal Student Right-to-Know and Campus Security Act of 1990, the Department of Public Safety publishes and distributes an annual Campus Security Report and Fire Safety Report by October 1 of each year. The CSR lists the campus crime statistics, on campus and surrounding public property, and non campus facilities, for the previous three years; for example the August 2017 report covers the years of 2014, 2015 and 2016.

The CSR/FSR also outlines the Public Safety department's authority, security policies, procedures for reporting crime, procedures for reporting sexual assaults/sex offenses and follow-up services, counseling and treatment services, crime prevention programs, accessibility of campus facilities and Substance Abuse (Drug and Alcohol) Policy, and 2008 revisions of the Higher Education Opportunity Act with specific additions to hate crime reporting and emergency response and evacuation procedures, missing student notification and fire safety issues for institutions that maintain an on-campus student housing facility, and the Violence Against Women Reauthorization Act of 2013 amendments to the Clery Act, specifically addressing domestic violence, dating violence and stalking.

The annual CSR/FSR can be accessed via the SWIC website at [swic.edu/students/services/safety/campus-security-reports](http://swic.edu/students/services/safety/campus-security-reports), or a copy of the CSR/FSR can be obtained by contacting the Public Safety department at 618-235-2700, ext. 5221, or writing the director of Public Safety, 2500 Carlyle Ave., Belleville, IL 62221.

**Services Provided:** The Department of Public Safety provides the following services: vehicle registration (parking permits), access to locked vehicles, vehicle jump starts, personal escorts on campus, CPR/first-aid, lost and found, engraving items for identification, crime prevention programs, and courtesy/emergency message delivery.

**Parking Permits:** Student, faculty and staff parking is by permit only on the college's Belleville, Red Bud and Sam Wolf Granite City campuses and at the East St. Louis Higher Education Center. Proof of a valid driver's license is required before a permit can be issued. The permit is free and issued by the respective Public Safety department, the administrative office at the Red Bud Campus and the administrative office at the East St. Louis Higher Education Center. A copy of the SWIC Traffic Code will be provided when the permit is issued.

**Student Identification Cards:** A student's first Student Identification Card each semester is free. The ID card, along with a MetroLink pass, is issued by the Department of Public Safety (Belleville and Sam Wolf Granite City campuses) and the Student Development Office at the Red Bud Campus. The ID shall be used for specific services (i.e., library card, computer lab access/open lab, MetroLink use). Replacement cards are available for a \$25 fee.

**Parking/Traffic Enforcement:** Authorized parking areas are established on each campus. Restricted and prohibited parking areas are marked and/or specified in the SWIC Traffic Code. Traffic citations and complaints are issued to violators as official notifications of violations. Unpaid traffic citations may result in the withholding of college services such as transcript requests and release of final grades.

#### **Reporting Emergencies:**

You play a critical role in preventing and reducing crime in our college community. The key to crime prevention in the SWIC community is a continuous, active role taken by you regarding your personal property and college property entrusted to your care. Do not allow yourself to be found or placed in a situation that leaves you vulnerable to possible bodily harm. Be alert to, and aware of, your surroundings. Report suspicious people and activity immediately. Secure your car, office and other property, and protect them from possible theft or damage by others.

Students, staff and faculty members are requested and encouraged to notify SWIC Public Safety of any situation or incident on campus that involves a significant emergency

or dangerous situation that may involve an immediate threat to the health and safety of students and/or employees on campus.

1. The quickest way to obtain professional help for an emergency is to telephone the SWIC Public Safety department when on a SWIC campus, or call the local police department from an Off-Campus Site.
2. When calling, stay calm and carefully explain the situation to the emergency operator. Be sure to provide the location of the incident. DO NOT hang up the telephone until instructed to do so.

### Student Conduct Code

*This document describes the policies and procedures governing student rights and conduct at Southwestern Illinois College, Community College District #522 (SWIC). It also describes the process students follow to file a grievance concerning academic, administrative or equal opportunity complaints. More detailed information concerning the policies, procedures and programs of the college may be obtained from the SWIC Catalog.*

SWIC students have the same rights as those accorded all citizens of the United States and the state of Illinois, including the right to free, open and responsible discussion and inquiry, and the right to a quality education in a program of study under competent instructors.

SWIC is obligated to its residents and the state to provide an environment which is conducive to the academic and personal development of its students. This obligation requires SWIC to conduct its affairs in an orderly, uninterrupted manner. It is an expectation for SWIC students, staff, employees and visitors to uphold the decorum of the college environment at all times.

Student conduct on campus and at all college-sponsored activities is governed by the rules of the community. Violations of federal, state and local laws at any college-sponsored activity, on or off campus, will be considered a violation of the Student Conduct Code and violators will be subject to disciplinary action.

Violations include, but are not limited to:

- violation of Board policy;
- acts that interfere with the purposes, necessities and processes of the college community to include administrators, faculty, staff, students and visitors, or that deny the rights of members of the college community to include disruptions of classroom, shop, lab, studio or any other learning activities;
- denying a trustee, employee, student or invitee of the college freedom of movement or use of the facility; disrupting the performance of institutional duties or pursuit of educational activities; and occupying buildings or other property after due and legal notice to depart;
- causing or threatening to cause harm to an individual either directly or indirectly by action or verbal behavior;
- academic misconduct including, but not limited to, cheating, plagiarism and forgery; failure or refusal to follow clinical practice standards; and soliciting, aiding, abetting, concealing or attempting such acts. Plagiarism is defined as the use or close imitation of the language, thoughts or work of another to include copying, quoting, paraphrasing and using another's creation, images or illustrations to represent them as your own work without proper acknowledgment of the source;
- improper, unauthorized or personal use of college computer laboratories, equipment, internet services or software; the modifying or copying of college software; and the use of illegal or unauthorized software to include Title 17, United States Code, the Digital Millennium Copyright Act of 1998, and the Copyright Term Extension Act;
- trespass is defined as entering any area that is obviously forbidden, or remaining in a forbidden area after receiving notice; presenting false documents or falsely representing identity; and interfering with lawful use or enjoyment of any area including, but not limited to accessing restricted/limited access areas, bypassing controls systems through improper means or system compromise;

- sexual harassment under Title IX, defined as any unwelcome attention, behavior or materials of sexual misconduct to include sexual harassment, sexual assault (sexual violence), domestic/dating violence or any form of retaliation. Sexual harassment is a violation of state and federal law as well as college policy;
- stalking, bullying, intimidation or other means of harassment by verbal, written, physical or electronic means; using social media to communicate an indirect threat or creating an intimidating, hostile or offensive environment or interfering with educational or work performance;
- discrimination based on the person's race, color, religion, sex (including pregnancy, gender identity and sexual orientation), national origin, age (40 or older), disability or genetic information or veteran status;
- nuisance activities such as the use of loud, abusive or otherwise improper language; loitering; improper assembling; creating any hazard and/or safety concern to people or things; blocking access ways; improper disposal of rubbish; and lewd or obscene conduct as defined by law;
- disrespect to authority;
- possession, consumption and/or being under the influence of alcoholic beverages, except at Foundation-sponsored events and off-campus activities where such possession and consumption meet requirements of state law and where the location of the activity does not prohibit such beverages;
- sale, use, possession, distribution and/or being under the influence of marijuana, to include medical marijuana, or any other illicit or synthetic substance, including any controlled substance prescribed or not prescribed by a licensed physician;
- illegal gambling;
- loss, theft or damage of college property or property of members of the college community, including failure to return college supplies, equipment, software and library material and misuse of the MetroLink Ridership Program;
- failure to meet financial obligations relative to college transactions, issuing of fraudulent checks or committing deceptive practices such as counterfeiting, fraud or false impersonation;
- the sale, transfer, possession, use or discharge of explosives, fireworks, ammunition, firearms, dangerous

chemicals, hazardous substances or other weapons (to include simulated devices) except as specially permitted by law and college officials;

- failure to give information or giving false or misleading information in response to requests from college officials to include failure to identify, non-compliance and interference with reasonable verbal or written instructions;
- misuse of camera phones, to include but not limited to, electronic capture devices or unauthorized videotaping in an area where the expectation of privacy exists, to photograph copyrighted materials, or to compromise academic work or tests;
- disorderly conduct defined as knowingly acting in an unreasonable manner so as to alarm or disturb another and to provoke a breach of the peace; failure to follow verbal/written directions/sanctions per discipline meetings or direction of SWIC officials.

A student against whom (the respondent) an order of protection has been issued by a court may be subject to removal from classes to assure compliance with the order.

### **Possible Sanctions for Violations of Student Conduct Code**

Sanctions for academic dishonesty or for behavior disruptive to the educational process may be imposed by faculty members in their instructional role. Sanctions for academic dishonesty include a failing grade on an individual assignment, examination or course. Serious matters of academic dishonesty or disruptive behavior may cause the student to be withdrawn from the instructor's course or a program of study. A student found to have violated the Student Conduct Code may be denied access to certain courses or programs, including the loss of internship privileges, needed to complete a program of study.

The vice president for Student Development or designee may impose the following sanctions upon students found to have violated the Student Conduct Code:

- **Disciplinary Reprimand:** An oral conference or written reprimand noting the seriousness of the violation of the Student Conduct Code.
- **Probation:** A status for a specific period of time which places the student on notice that further misconduct may result in more serious penalty.
- **Social Probation:** Probationary status that also restricts the student from specified activities, equipment or facilities.

- **No Contact Order:** May be issued to prohibit making contact with (staying away from) the victim/ complainant, to include no physical or nonphysical contact whether direct or indirect (including but not limited to, telephone calls, text messages, mail, email, faxes, written notes or through other electronic means [social media], or through third parties who may know or may not know about the restriction).
- **Suspension:** Involuntary separation from the college for a stated period of time or until stated conditions are met. Days on suspension are unexcused absences from class.
- **Expulsion:** Permanent removal from SWIC.
- **Assessment for Restitution:** Payment for restoration of property or to resolve financial obligations to the college. Failure to pay assessed amounts will prevent the student from obtaining records and registering for classes.
- **Separations or Restrictions:** A student may be separated or restricted from enrollments on a temporary basis pending the completion of proceedings relevant to the Student Conduct Code. Students will be so notified.

Sexual assault (sexual violence) is a violation of federal, state and local law, and SWIC policy. Therefore, criminal sanctions by the criminal justice system and administrative sanctions by the college may be imposed. Guidelines for proceedings are available in the office of the Title IX coordinator.

### **Disciplinary Proceedings**

A student who is accused of violating the Student Conduct Code will be referred to the vice president for Student Development or designee, who will determine whether the student is guilty of the charge. If the student is found guilty using a preponderance of the evidence, the vice president for Student Development will impose appropriate sanctions. The student will be notified in writing of the decision. Written response will normally be made to the student within 10 school days unless circumstances require additional time for consideration.

If the student disagrees with the action taken, he or she may request a hearing before the Hearing Board Committee within seven school days from the time the notification is received. The request for a hearing must be in writing. The hearing date will be set by the chair of the Hearing Board Committee no later than 15 school days after the receipt of the student's request for a hearing.

Each appeal will be heard by a panel of the Hearing Board Committee comprised of three administrators appointed by the college president (one to be appointed chair), two faculty members appointed by the president of the Faculty Union and two students appointed by the Student Leadership Group at the Belleville Campus.

The Hearing Board Committee hearing should be informal and non-adversarial in nature, with rules of evidence and civil procedure not strictly applying. The hearing should be conducted much as an arbitration would be handled involving personnel decisions under administrative proceedings. The vice president for Student Development or designee and the student should be allowed to present any testimony or documents, and such evidence will be given whatever weight it is due. All documents used by the vice president for Student Development or designee to impose sanctions should be made available to each Hearing Board Committee member and the student prior to the hearing.

A transcript should be taken of the hearing.

The written decision of the Hearing Board Committee will be communicated to the student and vice president for Student Development or designee. The Hearing Board Committee is the final authority on the matter.

These procedures are intended to serve as general guidelines and substantial compliance with them will be considered to meet the requirements of the process.

SWIC's policy provides that:

- The accuser and the accused student each have the opportunity to attend a hearing before a properly trained hearing board that protects the safety of victims and promotes accountability;
- The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present;
- The institution will allow for timely access to the accuser, the accused and appropriate officials to any information that will be used after the fact-finding investigation but during formal and informal disciplinary meetings and hearings;
- The institutional disciplinary procedures will not be conducted by officials who have a conflict of interest or bias for or against the accuser or the accused;
- The institution provides the accuser and accused the same opportunities to have others present during an institutional disciplinary proceeding. The accuser and the

accused student each has the opportunity to be advised by a personal advisor of their choice, at their expense, at any stage of the process and to be accompanied by that advisor at any meeting or proceeding; however, the institution may establish restrictions regarding the extent which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;

- Decision is based on the preponderance of evidence standard, i.e. "more likely than not to have occurred" standard;
- The accuser and the accused will be notified simultaneously in writing of the results of any disciplinary proceeding, as well as any changes to those results or disciplinary actions prior to the time that such results become final; and
- The accuser and the accused each have the right to appeal the outcome of the hearing as described previously and will be notified simultaneously in writing, of any change to the result prior to the time that it becomes final and of the final result after the appeal is resolved.

### **Student Grievance Procedures**

Student grievances may involve academic matters, administrative matters or discrimination. Grievances, other than those involving discrimination charges, will be handled through the regular line of authority. A grievant who is not satisfied with a decision at one level may appeal the grievance to the next level of authority. Information and discussions concerning the resolution of a grievance will be maintained in as confidential a manner as possible so as to protect the interests of all parties.

In grievances involving academic matters, including grading, the student should first consult with the instructor concerned. Every attempt should be made to resolve the grievance on an informal basis. If necessary, the student should process a grievance through the levels of department head/coordinator, dean, vice president for Instruction and college president. At the Sam Wolf Granite City Campus, the executive director or associate dean of Instructional Services may be consulted. At the Red Bud Campus, contact the executive director.

In grievances involving administrative matters, the student should attempt to resolve the complaint on an informal basis by consulting with the responsible administrator. If necessary, the student should proceed through the levels of director, dean, appropriate vice president and college president. At the Sam Wolf Granite City Campus,

the executive director or associate dean of Instructional Services may be consulted. At the Red Bud Campus, contact the executive director.

A complaint becomes formal when it is submitted in writing by the complainant. Grievances should be submitted in writing at each level of authority within 10 school days of the action being grieved or within 10 school days of the decision being appealed. Written response normally will be made to the grievant within 10 school days unless circumstances require additional time for consideration. Grievances may not be appealed to the SWIC Board of Trustees.

Grade appeals are considered a special category of student grievance. A student who wishes to appeal a grade must contact his or her instructor within 30 calendar days after the start of the regular semester (fall, spring or summer) following the recording of the disputed grade. If the student is not satisfied with the instructor's response, then he or she must contact the relevant department chair/coordinator in writing within the following 10 school days.

If an instructor is unavailable because, for example, he or she is away from campus for the summer or on a sabbatical, then the student must submit his or her grade appeal to the relevant department chair/coordinator or dean within the 30-day time period with the understanding that resolution will be pursued when the instructor returns to campus. The 30-day time limit may be waived by the vice president for Instruction when extraordinary circumstances are applicable. In any event, this grade appeal procedure is not to be used for a review of the judgment of an instructor in assessing the quality of a student's work.

Grievances involving discrimination because of the person's race, color, religion, sex (including pregnancy, gender identity and sexual orientation), national origin, age (40 or older), disability or genetic information, or veteran status should be made to the affirmative action officer (director of Human Resources) who will handle the grievance. Specific college processes exist in conformance with state and federal statutes governing such cases.

### **Reporting Incidents:**

Students who feel threatened or intimidated, who are harmed or who observe violations of the Student Conduct Code may report the incident as appropriate:

- **For academic matters:** To the instructor, coordinator/department head or dean.
- **For matters of safety or security:** To the Public Safety office or campus administrative office.

### **Emergency Procedures**

Emergency procedures to follow in case of a tornado or evacuation are posted in classrooms and hallways. In case of emergencies, follow instructions given by public safety and/or emergency response personnel, and do not re-enter the building until directed to do so by public safety or emergency response personnel. Emergency response guides are posted at [swic.edu/students/services/safety/public-safety](http://swic.edu/students/services/safety/public-safety).

### **Timely Warnings**

In the event that a crime is reported on campus or in a building or property that the institution owns or controls and is using for educational purposes, that, in the judgment of the director of Public Safety, or designee, constitutes a serious or ongoing threat to the community, a campuswide "timely warning notice" will be issued. Timely warning notices are typically issued for the following Uniform Crime Reporting Program/National Incident Based Reporting System classifications: arson, criminal homicide and robbery.

Incidents of aggravated assault and sex offenses are considered on a case-by-case basis, depending on the facts of the case and the information known by Public Safety. Tips and warnings may be issued via email or text message, fliers posted around building entrances and college bulletin boards, or in the college newspaper or newsletter.

### **Emergency Notification**

If Public Safety or another local agency confirms that there is an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the SWIC community, the college will immediately notify the campus community. In the event of a serious incident which poses an immediate threat to members of the campus community, the college has various systems in place for communicating information quickly to those individuals. Some or all of these methods of communication may be activated in the event of an immediate threat to the health and safety of the members of the SWIC campus communities, as appropriate.

### **Insurance**

Students are responsible for their own health and accident insurance coverage.

**Substance Abuse Policy**

### **Introduction**

SWIC is dedicated to providing a healthy and safe environment for students, employees and visitors. The college recognizes drug and alcohol abuse as debilitating illnesses affecting a person's physical, mental and emotional well being. Substance abuse impairs both class and work performance. As a result of the unhealthy and unsafe effects of drug and alcohol abuse, SWIC believes the unlawful possession and use of illicit drugs and consumption of alcohol by underage individuals is both harmful and illegal.

SWIC is providing the following information to its students so that they may become aware of the health-related and legal problems associated with alcohol and other drug abuse. The college's wellness advocates offer assistance, information and referral for students experiencing difficulty with substance abuse.

SWIC is committed to providing an environment that allows all members of the college community to reach their highest potential.

### **Substance Abuse Counseling and Treatment**

The college's wellness advocates provide alcohol and other drug abuse information. Free confidential counseling is also available to assist students and, if requested, referral is made to professional treatment programs or community support groups. Services are available at the following locations:

#### **Belleville Campus:**

BC-IS Room 1115  
2500 Carlyle Ave.  
618-235-2700, ext. 5206

#### **Sam Wolf Granite City Campus:**

Room 440  
4950 Maryville Road

Campuses can be reached toll free in Illinois at 866-942-SWIC (7942) or from St. Louis at 314-436-3218.

Most insurance companies and Health Maintenance Organizations recognize drug and alcohol dependency as diseases and some cover the costs of in-/outpatient care at treatment facilities. If you do not have insurance coverage, contact your local mental health department for information and referrals.

### **Substance Abuse (Drug and Alcohol) Policy**

Any employee, student or visitor at SWIC shall not possess or use any illegal or controlled drug or substance in either refined or crude form except under the direction of a licensed physician. Medical cannabis may not be possessed or used on college property or in any college vehicle. SWIC is cognizant of the ever-increasing abuse of legal prescription and over-the-counter drugs amongst students of all ages.

Those who violate any provision of federal or state law pertaining to the manufacture, possession, purchase, sale or use of licit or illicit drugs on college property will be referred to the appropriate civil authority. Since the college possesses an interest in violations, employees or students also may be subject to college disciplinary action based upon current policies.

Possession and use of intoxicants in public areas on the college campuses are prohibited. Irresponsible behavior attributed to the influence of intoxicants is not condoned and will be subject to actions by civil authorities and the college based upon current policies. Compliance with this policy is mandatory.

**Alcohol Policy:** Possession, sale and use of intoxicants on the college campuses is prohibited, except as permitted under Board of Trustees Policy 7015/Administrative Policy, as amended. Irresponsible behavior, attributed to the influence of intoxicants, to include underage drinking, is not condoned. The behavior will be subject to actions by civil authorities and the college, based upon current policies.

### **SWIC Penalties for Violation of Substance Abuse (Drug and Alcohol) Policies**

Any person who is found to have violated the Substance Abuse Policy shall be subject to disciplinary actions (consistent with local, state and federal law). Students are subject to the loss of financial aid, mandatory referral to counseling/treatment, notification referral to the appropriate civil authority for prosecution, and possible sanctions for violation of the Student Conduct Code up to and including expulsion.

**Legal Penalties for the Unlawful Possession, Distribution and Use of Illicit Drugs and Beverage Alcohol:**
