

## **Culinary Arts and Food Management Program Mission Statement**

The mission of the Culinary and Food Management Program is to facilitate lifelong learning and to enhance culinary and hospitality management knowledge and skills enabling graduates more rapid entry into the hospitality and foodservice industry. The program and its curriculum are founded on continuous evaluation of students' learning outcomes through objective and practical assessments.

### **Educational Goals**

1. Demonstrate competency in completing tasks directly related to the hospitality and food service industry while under the direction of a supervisor.
2. Display professional behavior.
3. Practice effective and ethical customer service techniques.
4. Demonstrate competency in understanding fundamental business data.
5. Recognize and apply necessary control measures including formulating key operational ratios, inventory and audit procedures, and personnel strategies.
