### DESCRIPTION

Accounting courses are useful to everyone in business. A major in accounting may lead to careers in business, industry or government.

The Accounting pre-major prepares students to transfer to a four-year college or university and continue for a baccalaureate degree.

### EMPLOYMENT OPPORTUNITIES

A variety of careers are open to students who graduate with a bachelor's degree in Accounting including:

Certified Public Accountant	Internal Auditor
Corporate Accountant	Management Consultant
Financial Analyst	Public Accountant
Forensic Accountant	Sports/Entertainment Accountant
Government Accountant	Tax Accountant

Please visit with an academic advisor and/or program director for additional information.

### COURSE SEQUENCE BY TERM

The following is the suggested course sequence by term. Please keep in mind:

- The course sequence is laid out by suggested term and may be affected when students enter the program at different times of the year.
- Initial course placement is determined by current district placement measures and/or completion of 100-200 level course and/or program requirements.
- Students should meet with an academic advisor about any concerns that may affect course enrollment.
