According to your 2023-2024 FAFSA response(s), and/or other documentation, due to divorce/separation/legal requirement, child support was paid in 2021 by:

- **For independent students:** The student or spouse, who is a member of the student's household.
- **For dependent students:** One of the parents included in the student's household, or the student.

If that is correct, list below 1) the name(s) of the person(s) in your household who paid the child support, 2) the name(s) of the person(s) to whom the child support was paid, 3) the name(s) and age(s) of the child(ren) for whom the child support was paid, and 4) the total annual amount of child support that was paid in 2021 for each child. (If child support paid should not have been reported, skip this section, and check the appropriate box following it to notify us of the error.)

**Note:** If we have reason to believe that the information regarding child support paid is not accurate, we may require additional documentation, such as: a signed statement from the individual receiving the child support certifying the amount of child support received, or copies of the child support payment checks, money order receipts, or similar records of electronic payments having been made.

**IF NO CHILD SUPPORT PAID FOR 2021 SHOULD HAVE BEEN REPORTED, CHECK ONE OF THE BOXES BELOW:**
