Senior Companions provide community outreach to isolated Senior Citizens

Our Senior Companions provide the additional social support to homebound senior citizens struggling to safely remain in their home for as long as possible. The benefits of socialization among isolated seniors have shown to improve mental health, provide a sense of belonging, and encourage purposeful living.

Most of the Senior Companions report getting more out of volunteering than they give. If you or someone you know are interested in giving back in your community and are 55 and older, contact us for more information at (618) 234-4410 x 7023.
