### Spotlight on Foster Grandparent Super Star!

Our Foster Grandparents bring love, social emotional support, and increased academic engagement into the lives of children at schools, Head Starts, and not-for-profit community centers. But what does the program bring to the Foster Grandparent? In the words of Granny Alrick:

*As a Foster Grandparent I feel I may help kids who may suffer from trauma. I am thankful to be in this field as the program teaches us patience, grace, forgiveness and so much more. I am thankful because I bring love in the life of others and often that love flows back to fill my heart. It is a great pleasure for me to get out of the house to breathe fresh air. I feel like my own boss. Many thanks to our FGP staff, Jennifer and Taylre, for inspiring us, listening to us, and bringing out the best in us.*

Our program also offers a modest stipend and transportation reimbursement in addition to that full heart bursting goodness. Restrictions apply. If you would like more information, please reach out to Jennifer, ext. 7062 or Taylre, ext. 7024.
