Keyboarding

Learn and enhance typing/keyboard skills.
This class is suggested as a preparation class
for Microsoft® Word®.

Computer Basics

Gain basic computer knowledge and
familiarity with the Windows® operating
system and the internet.

Introduction to the Internet

Learn how to access the internet, utilize search
engines, locate web sites, download files
and documents and exercise caution where
necessary.

Introduction to Spreadsheets

Learn to use Microsoft® Excel® to create,
format and save spreadsheet documents
for the purpose of organizing, storing and
analyzing data.

These computer classes are offered **FREE** to qualifying adult learners.
