BLUE

STORM

I am pleased to be a part of the Blue Storm Club campaign to raise awareness and funds for the SWIC Athletics programs. Every year, our student-athletes make us proud, whether it's in the classroom, on the court or out in the community.

To that end, I encourage you to become a member of the Blue Storm Club. By making the decision to support our intercollegiate athletic programs, you are making a commitment to support the principles that guide us.

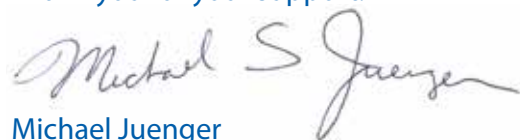

- *Our first priority is to make sure our student-athletes are students first and athletes second. We work with the faculty to monitor the academic progress of all of our athletes and help reinforce the faculty's expectations.*

- *Our second priority is to recruit individuals who exhibit a strong character and work ethic. We want students who understand and appreciate the importance of representing themselves and SWIC.*

- *Our third priority is to be successful on the fields and courts of competition. The lifelong lessons learned from dedication to excellence, teamwork and respect for the competition are invaluable.*

On behalf of every SWIC student-athlete, thank you for supporting the Blue Storm – a program that does your community proud ... on the field and in the classroom.

Thank you for your support.
