

MISSION STATEMENT & STUDENT LEARNING OUTCOMES for Cannabis

Review Year:
2024

Division: Math & Sciences	Discipline/Program/Department: Cannabis	Contact Person(s): Rakers, Shawn
-------------------------------------	---	---

Mission Statement

The Cannabis Industry Operations program of Southwestern Illinois College will prepare the graduate of the certificate through diverse coursework, practical experience, theoretical research, and promoted professionalism and entrepreneurship. The certificate graduate will be equipped with the necessary skills and knowledge to gain employment in the cannabis fields, attain their education and personal goals, and pursue life-long learning. The program uses a system that assesses student learning and provides students with the necessary opportunities and assistance to advance in their cannabis careers.

Program/Discipline Curriculum Map

I = Introduce: Student is first exposed to the concept/idea and is requested to apply the concept in a limited scope.
E = Emphasize: Student applies concept(s) in varying/multiple situations of greater complexity than when initially introduced.
R = Reinforce: Student may be expected to understand the concept upon taking the course and utilizes the concept in conjunction with other concepts/ideas to solve problems.
