

MISSION STATEMENT AND STUDENT LEARNING OUTCOMES for Massage Therapy

Review Year: 2024

Division: BHSHS	Discipline/Program/Department: Massage Therapy	Contact Person(s): Bivin, Tamara
---------------------------	--	--

Mission Statement

The Massage Therapy program at Southwestern Illinois College is committed to preparing students with the knowledge, skills and attitudes to function as entry level professionals in the field of therapeutic massage and bodywork. In addition to essential manual massage therapy skills, instruction will emphasize the critical thinking skills required to make ethical decisions and sound clinical judgments regarding the client care. The on-going assessment of student learning is an integral component of instruction.

Program/Discipline Curriculum Map

I = Introduce: Student is first exposed to the concept/idea and is requested to apply the concept in a limited scope.
E = Emphasize: Student applies concept(s) in varying/multiple situations of greater complexity than when initially introduced.
R = Reinforce: Student may be expected to understand the concept upon taking the course and utilizes the concept in conjunction with other concepts/ideas to solve problems.
